For Variety Stores, Seed Stores, Garden Centers and other "Over the Counter" Dealers

When you think of Violets, think of Brown's, your customer does. It pays to order from a pioneer Violet grower who has specialized in shipping violets to retail outlets for over 15 years.

WE OFFER YOU:

Quick dependable Service

Eyecatching Packaging

Selected Blooming plants from one of the South's largest collections

AFRICAN VIOLETS

BEAUTIFUL STANDARD VARIETIES:35 cents each

Our selection from over 300 of the best selling varieties, including all colors and shades, shipped in heavy bud and bloom, each plant labeled, packed in printed poly bag giving complete growing instructions to your customers. Ready for immediate sale.

OUTSTANDING COLLECTOR'S VARIETIES:50 cents each

Our selection from only the newest and rarest varieties, many just introduced at the National African Violet Convention or The Dixie African Violet Convention. Each plant is labeled, in heavy bud and bloom and packed in "Collector's Variety" poly bags giving complete growing instructions to your customers. Ready for immediate sale.

If you have customers who want special varieties just send us their list as we probably have them in the "Collector's Varieties" at .50c each. We obtain all the outstanding new introductions.

BEGONIAS

DOUBLE BEGONIAS:25 cents each

We offer our selection of the best Reds, Pinks and Whites on green, bronze and varigated foliage. Each plant labeled, in bud and bloom, and in a protective glassene bag, ready for immediate sale.

Violets and begonias in 2½ inch plastic pots.

Minimum orders 25 plants, any assortment, shipped Express Collect Newnan, Ga.

STERILIZED SOILS

BROWN'S STERILIZED AFRICAN VIOLET SOIL is designed for African Violets and Begonias and is used exclusively in our greenhouses.

BROWN'S STERILIZED POTTING SOIL is a fine all purpose soil prepared to use on all house plants.

BROWN'S SOILS are packed as follows:

2 Quarts to the bag,

12 Bags to the carton

96 Bags MINIMUM ORDER

17c per bag Delivered East of Mississippi River

20c per bag Delivered West of the Mississippi River

The minimum order may include both soils in unbroken cartons of 12.

Sample bags of soil will be sent upon request.
